

# ANNUAL GIVING CAMPAIGN

## Corporate Scholarship Campaign

The Pearls of Service Foundation has distributed over \$500,000 in scholarships to students in the Oakland, Wayne and Macomb County area since 2006. The foundation provides additional scholarship funds obtained through corporate fundraising. Our scholarship application process is robust and is administered by our scholarship committee. We offer the ability for companies/individuals to tailor their scholarship by adding criteria and being involved in the scholarship review process.
